

President Roosevelt Sends His GREETINGS

THE WHITE HOUSE
WASHINGTON

May 28, 1936.

My dear Mr. Whyte:

It is very interesting to know that Torrance is presently to celebrate the Twenty-fifth Anniversary of its establishment and to learn that the history of its progress is to be told in the Silver Anniversary Edition of the Torrance Herald. I shall greatly appreciate it if I may through the medium of that Edition extend to you and through you to all of the citizens my hearty felicitations.

I trust that the years ahead will bring continuous prosperity to the community and to the paper which has for so long been a factor in its life.

Very sincerely yours,

A handwritten signature in cursive script that reads "Franklin D. Roosevelt". The signature is written in dark ink and is positioned above the typed name and address.
